Camping Lindenhof, Bern, Switzerland

Setting Lakeside
Pitches 50

Activities Cycling, swimming

Lindenhof lies amid the vine-covered slopes of Seeland, a stone's throw from Lake Biel, with views stretching to the Jura hills opposite. Cycle alongside rivers, hike to nearby Creux du Van (the Swiss Grand Canyon) or walk through the vines. The site itself is proudly ecological, heating the accompanying farm with solar energy and wood from its own forest, while the apples and cherries grown in the orchard are sold on site.

● Pitch from €10.25, plus €7.70 per adult, camping-lindenhof.ch
